### SUNDAY MAY 29, 2022: Desert Refuge

Today we drive out of Jerusalem to the Dead Sea, the lowest place on earth. Our first stop is the desert palace-fortress built by Herod the Great, **Masada**. During the First Jewish Revolt (AD 66-73), Jewish rebels lived on **Masada** until they were surrounded by the Tenth Roman Legion. According to the first century Jewish historian Josephus, the rebels chose to commit suicide instead of slavery and death at the hands of the Romans. While visiting the site, we will see the palaces of Herod the Great, his bath houses and store rooms. We will also see buildings converted by the Jewish rebels for their use, like the synagogue. Evidence of the Roman siege can be seen in the siege ramp and Roman camps that surround **Masada**. We travel next to the site of **Qumran**. In caves around the site, the world-famous Dead Sea Scrolls were discovered. **Qumran** was the settlement of the community that produced many of the Dead Sea Scrolls. After visiting **Qumran**, participants have the unique experience of floating in the Dead Sea. Our day ends with an overlook of the **Wadi Qilt**, the ancient road between Jerusalem and Jericho. This was the setting for Jesus' story of the Good Samaritan (Luke 10:25-37). On Jesus' final journey to Jerusalem, he used this road as he came from Jericho to Jerusalem (Luke 19:1-11). Dinner and overnight at our hotel in Jerusalem.

### MONDAY MAY 30, 2022: Biblical Jerusalem

Our tour of **Jerusalem** begins at **Nebi Samwil**. Incorrectly identified as the tomb of the prophet Samuel, from this hill we will see the northern neighborhoods of Jerusalem, as well as ancient homes which help us to understand the birth of Jesus in the Gospels. We will also look over the tribal territory of Benjamin, where two-thirds of the Old Testament took place. Our vantage point offers us a view of the modern Arab village of el-Jib, biblical **Gibeon** (Josh. 10). While defending **Gibeon** against five Amorite kings, Joshua prayed for the sun to stand still. We continue with a visit to the **Israel Museum**. Here we will see a scale-model of Jerusalem on the eve of its destruction in AD 70. We will have a private tour of the Shrine of the Book, which houses some of the Dead Sea Scrolls, including some of the oldest copies of the Old Testament, *guided by the curator of the Shrine of the Book*. Our tour of the museum concludes with a walk through the

archeological wing to visit the two galleries dedicated to Israel in the Old and New Testament periods. We will see original artifacts found in sites we visited, as well as other artifacts that make the Bible come alive. We travel to David's hometown, **Bethlehem**. In **Bethlehem**, we remember the birth of Jesus and visit the **Church of Nativity**, the oldest church in the Holy Land, built over the traditional site of Jesus' birth. From **Bethlehem**, we visit the **City of David**, the oldest part of Jerusalem, the city David conquered and made his capital. We will be led through the **City of David** by one of the archaeologists who excavated the site and see areas not open to the general public. Dinner and overnight in Jerusalem.

#### **TUESDAY MAY 31, 2022: The Mountain of the Lord**

We begin our morning visiting the **Temple Mount**. Today the Muslim mosques of the **Dome of the Rock** and the **'Al-Aqsa** stand on top, but in the first century, the Temple of Herod stood upon the mount. After visiting the **Temple Mount**, we stop at the **Western Wall**, the most sacred site for Jews. After visiting the **Western Wall**, we will have a private tour of the **Western Wall Tunnels** with the *chief archaeologist in charge of the excavation*. Today for lunch we journey to the **Mahaneh Yehudah** market of Jerusalem where we will have opportunity to sample many cuisines. From **Mahaneh Yehudah**, we travel to the **Temple Mount Sifting Project** where we will wet sift remains from Jerusalem's Temple Mount. This experience provides an opportunity to touch Jerusalem's biblical past. Our day concludes with a walking tour of the **Old City** of Jerusalem and free time. Dinner and overnight at the Jerusalem hotel.

#### **WEDNESDAY JUNE 1, 2022: Jesus' Jerusalem**

Our morning begins with a beautiful view of the city of Jerusalem from the **Mount of Olives**. We walk down the mountain following the modern path used by pilgrims on Palm Sunday visiting the church of **Dominus Flevit**, which remembers Jesus' weeping over the city as he rode into it, and the traditional location of the **Garden of Gethsemane**. We cross the **Kidron Valley** into the Old City and visit **St. Anne's Church** built over top of the Pools of Bethesda (John 5) where Jesus healed the lame man. We will take the opportunity to sing in the beautiful Crusader church on the site. Our journey continues at **Jaffa Gate** where in the first century Herod's palace stood. Here the story of Jesus begins (Matt. 2) with the visit of the wisemen to Herod, and here his story ended because at Herod's palace Jesus stood before Pontius Pilate (Mark 15:16). From **Jaffa Gate**, we walk into the Jewish Quarter and visit the **Herodian Quarter**, a series of priestly homes from the first century. We then walk along the Byzantine Cardo and see the walls of Jerusalem from the eighth century BC and the first century BC. Passing the **Gennath Gate**, we follow the historic route Jesus traveled from Pilate to his place of execution at the **Church of the Holy Sepulcher**. Our day ends along the southern wall of the **Temple Mount**. On the first century street, we see the shops and markets around the Temple, a possible location for the money changers (Luke 19:45-48). We then proceed to the southern entrances of the Temple where we walk the steps ancient pilgrims took to ascend to the Temple.

#### **THURSDAY JUNE 2, 2022: In the Footsteps of Kings and Prophets**

Today our journey takes us through the **Shephelah** (Deut. 1:7), an area of rolling hills between Israel's hill country and the Mediterranean coast. Our first stop is the ancient city of **Lachish** (2 Kings 18:14; Isa. 36:2; Jer. 34:7), which was the second most important city of the Kingdom of Judah. During the reign of King Hezekiah (2 Kings 18:14; Isa. 36:2), the king of Assyria laid siege to **Lachish** and destroyed the city. We will visit the recently restored gate of the city. Travelling north through the **Shephelah**, we enter the **Elah**

**Valley**, the site of the famous confrontation between David and Goliath (1 Sam. 17). Here we will open the biblical story and see the landscape recorded in the Bible come alive before our eyes. Our next stop is the ancient city of **Beth Shemesh**. After the Ark of the Covenant was captured by the Philistines, it returned to Israel in the area of **Beth Shemesh** (1 Sam. 6). Across the Sorek Valley from Beth Shemesh sits Zorah, the hometown of Samson (Judges 13). Our final stop of the day provides a unique experience learning about shepherds in the Bible at the biblical nature park, **Ne'ot Kedumim**. Here participants learn about ancient shepherds by shepherding sheep and goats. While at **Ne'ot Kedumim**, participants encounter the flora and fauna of biblical Israel and see how the land of the Bible played a dynamic role in communicating the message of the Scriptures. Dinner and overnight at our hotel along the Mediterranean coast.

#### **FRIDAY JUNE 3, 2022: Kingdoms and Cultures in Conflict**

Our morning begins at the port-city of **Caesarea** built by Herod the Great (Matt. 2). This was the second largest harbor in the Roman Empire during the first century. At **Caesarea**, Peter visited the gentile centurion Cornelius (Acts 10), and he and his household became the first gentile followers of Jesus. The Apostle Paul remained under house arrest in **Caesarea** for two and a half years. Here he stood before Felix, Festus, and Agrippa II (Acts 23-25). From the harbor of **Caesarea**, Paul sailed to Rome leaving Israel for the last time. While at the site, we will visit the ancient theater with its magnificent view overlooking the Mediterranean Sea. We will see Herod the Great's palace that served as the residence of the Roman officials in the land, like Pontius Pilate. We will remember Pilate's governorship of Judaea by looking at a replica of a stone inscription mentioning Pilate dedicating a temple to the Roman Emperor Tiberius. Our visit takes us through the ancient stadium and harbor and ends looking at the ancient aqueduct of Caesarea that supplied the city with its water. After departing **Caesarea**, we travel to **Mount Carmel** where Elijah challenged the prophets of Ba'al (1 Kings 18).

#### **SATURDAY JUNE 4, 2022: "Who do men say that I am?"**

Today we travel into the Golan Heights and the upper Jordan Valley. Our day begins at the nature reserve of **Dan**. The ancient city of **Dan**, which formed the northern boundary of biblical Israel, sits on the Dan Spring, one of the three tributaries of the **Jordan River**. In addition to walking through the beautiful nature reserve, we will visit the ancient site of Dan seeing its high place (1 Kings 12:29), Israelite gate, and the Middle Bronze Age gate from the time of Abraham (Gen. 14:14). Next, we travel to **Banias**, ancient **Caesarea Philippi** (Matt. 16:13; Mark 8:27). In the vicinity of **Caesarea Philippi**, Jesus asked his disciples, "Who do men say that I am?" From **Banias**, we drive up into the foothills of **Mount Hermon** (Ps. 133) and into the **Golan Heights**. At a high overlook on the Israel-Syrian border, we look into Syria towards Damascus. Dinner and overnight on the Sea of Galilee.

#### **SUNDAY JUNE 5, 2022 The Galilee of Jesus**

Our morning begins with a visit to one of the most exciting and important ongoing archaeological excavations in Israel, **Magdala**. Here we will visit one of the few, excavated, first century synagogues in the land of Israel. Its date coincides with the time of Jesus ministry in the area. We will also see wealthy homes from the village, as well as the first century harbor. From **Magdala**, we travel into the Galilee visiting the capital of the Galilee when Jesus was growing up, **Sephoris**. Here we will see one of the cities of Jesus' Galilee with its theater, mosaics, and paved streets. Next, we travel to a fun learning and engaging experience: **Kefar Kedem**. Here we will experience the land of the Bible in a unique way as we learn about shepherding, making bread as they did in the

time of the Bible. The flora of biblical Israel comes alive within this small park as the Bible is illuminated as we learn how the land was so important in writing the Bible. Our day continues at the boyhood home of Jesus, **Nazareth**. We visit the **Church of the Annunciation**, built over the traditional place where the angel Gabriel announced to Mary that she would be the mother of Jesus (Luke 1:26-37). The church is built on top of the ancient village of **Nazareth**, and we will visit a small museum that shows some of the finds and homes from the village. We will end our visit in **Nazareth** with an overlook of the **Jezreel Valley** from Mount Precipice. From this vantage point, we will see the settings for a number of biblical stories. Our day concludes with an evening boat-ride on the **Sea of Galilee**. The ancient fishermen fished the lake at night. Riding on the waters of the lake in the evening offers a unique opportunity to connect with Jesus and his disciples on the lake. Dinner and overnight on the Sea of Galilee.

#### **MONDAY JUNE 6, 2022: The Faith of Jesus**

Our journey today focuses upon the ministry of Jesus around the Sea of Galilee. Our morning begins at **Yardenit**, which provides an opportunity for people to be baptized in the **Jordan River**. We next travel to **Almagor**, which overlooks the **Beitsaida Valley** where the **Jordan River** flows into the Sea of Galilee, and where Jesus fed the 5,000 (Luke 9:10-17). Our journey takes us to **Chorazin** one of the three cities cursed by Jesus (Matt. 11:21; Luke 10:13). At this site, we see the ancient homes and Jewish ritual immersion pools, as well as the magnificent basalt synagogue from the fifth century AD. Inside the synagogue is a replica of a Seat of Moses (Matt. 23:2). Our journey continues with a visit to the ancient town of **Capernaum** where Jesus made his home around the lake (Matt. 4:13). Here he healed the centurion's servant (Matt. 8:5). In our visit, we will see the modern church built over an ancient church, which was built over a first century home, identified as the home of Peter. The magnificent limestone synagogue of the fourth century AD has been partly reconstructed and looms over the site. From **Capernaum**, we travel to the small museum at **Kibbutz Ginnosar** that houses an ancient boat discovered in the 1980s in the Sea of Galilee. This boat dates to the first century and was a boat used by fisherman on the lake. We return to our hotel to shower, freshen up, and eat dinner before departing to Ben Gurion for our return flight to the United States.
